

Mill Creek High School

iLEAD Freshmen Mentor Program

Code of Conduct/ “No Use” Contract For Student Drug Prevention Club Leaders

I recognize that as a member of **iLEAD** (Freshman Mentor Program), I am now serving as a leader in a co-curricular club which has tobacco, alcohol and other drug prevention as one of the primary objectives and which only seeks students who will support and promote that cause.

I further understand that I am now serving as a role model for responsible behavior in the school and in the community and thereby agree to abstain from any school discipline infractions, tobacco, alcohol, or other drug use (except as prescribed by a physician or as part of a religious ceremony).

I understand that this commitment applies 24 hours a day, 365 days a year, as of this date and that violations of the terms and conditions of this contract will terminate my membership for the remainder of the club membership year.
